

# KITCHEN ORGANIZATION CHECKLIST

## Kitchen Sink

## Notes

Hang pots from the ceiling and stick measuring cups on the wall.

Use wall space for your kitchen sink organizer.

Get some hanging dry racks.

Open up your storage space.

Use your counter space wisely.

## Kitchen Counter

Use trays and turntables.

Curate your appliance collection.

Make your walls, kitchen cabinets, and shelves work harder.

Create catchalls for the paper pile.

Use a tray with a shallow lip to hold condiment jars, olive oil cruets and bud vases.

## Kitchen Refrigerator

Make an "eat me first" box for about-to-expire Foods

Group like items together

Use file organizers to store snacks and use drawer dividers

Use curtain ring clips to hang bagged items and line drawer bottom with paper towels
